

# with love...

A creative sendoff to keep you inspired until we meet again.

While creating Halloween layouts and cards can be a whole lot of fun, dressing up your house for the occasion can be fun, too. And it doesn't have to be spooky! Craft up a cauldron of trick or treat cuteness like this one to put on display (whether you're hosting a party or just decorating your haunted mansion). Add to the sweetness with a rosy cheeked pumpkin box. It's truly too cute to spook!

**TIP: Skip the smiley face on the treat box** and create a grouping of pumpkins that can be displayed throughout the entire fall season. The container can be opened from the bottom so the leaves, vine, etc. can be permanently attached.
