

with love...

A creative sendoff to keep you inspired until we meet again.

You don't have to wait for snow to appreciate the globe trend. Projects created and contained in a glass container are all the decorative rage at the moment. So grab your supplies, a large mason jar, and possibly some kiddos to help, and create a springtime terrarium to treasure. While you're at it, use your leftover supplies to make a sweet sendoff of your own. Anyone would love to find such happy mail greeting them in their mailbox.

MASON JAR PROJECT TIP: To create an anchor for your stamped cutie, adhere it to a toothpick. Glue a moss-covered foam ball to the lid of your jar and poke your image into place.
