A summer scavenger hunt is filled with high energy and fun, and Madeline's lively layout brings that enthusiasm to life! Just like Kevin's arms are full of things gathered in the hunt, the colourful jumble of summery icons on the right adds to the exuberance of the day. The vari-coloured banner and title are the perfect finishing touches.

Divide a 12 x 12 layout in half, and you've got a great design model! The right-hand side of this layout in ocean blues and greens not only gives the eye a place to rest, but the bold colour mimics the waves rushing to the seashore. The impactful title to the right of middle adds balance to the four photos on the left.
