

with love...

A creative sendoff to keep you inspired until we meet again.

Kindness and gratitude never go out of season, but somehow when the leaves begin to fall, we cherish those special kindhearted acts and thankful attitudes. Bring nature IN with a simple reminder to always be kind. The rough tree bark with the pretty watercolour flowers and gold glitter create a delicious juxtaposition that make this piece particularly special.

DESIGN TIP: The pretty flowers on this home décor piece were trimmed from Altenew's unique wide washi tape that comes in widths all the way up to almost 7 inches! Just imagine the beautiful things you could create with them.

TIP: Invite some friends over for an evening of creativity.

This project would be a fun one to re-create with friends who don't consider themselves crafty since it's not too intimidating. Have everyone bring a bottle of wine and their imagination. Before you know it, you'll lure them into your creative life!
