STASH AND STORE FIVE DRAWER SUPPLY CASE BY TOTALLY TIFFANY

We love this handy storage solution for a number of reasons. The vertical design utilizes space well, and it fits in most standard cube storage systems (three can fit side-by-side in each cube!). Each drawer comes with inserts for dividing smaller items like washi tape, but they are removable in case you want to store longer items like paint brushes. And with the handy handle, you can grab it and go!
