

with love...

A creative sendoff to keep you inspired until we meet again.

As the sky fills with flurries, think of each snowflake as a kiss and welcome a blizzard full of love! Create wintry magic like Marcia did by fashioning a dimensional and detailed design like this delightful pop-up to decorate your desk or dining room table. Better yet, share it with a friend to enjoy and to be reminded of your thoughtfulness.

DESIGN TIP: While the row of houses in Marcia's design are the traditional red and green of Christmas, her addition of aqua adds a snowy splendor that accentuates the snowflakes. Have fun with colour!

DESIGN TIP: Eliminate the *Happy Holidays* sticker for a purely winter design.

TIP: Take this same design into Valentine's Day by substituting hearts for the snowflakes. With a different sentiment, this would be a super sweet gift for a hard-working teacher or colleague to brighten their day.
