with love...

A creative sendoff to keep you inspired until we meet again.

As fall arrives, our hearts and minds fill with gratitude, and more often

than not, our homes are filled with reminders of our many blessings. The waning year allows us to reflect and find the good in what has transpired and gives us hope for what's to come. We are so inspired by this pretty leaf décor that Enza Gudor created with lots of handmade love and heart.

DESIGN TIP: Make your Thanksgiving table extra special with handmade paper crafted items that will add a homey glow to your harvest celebrations.

DESIGN TIP: Get the family (especially the kids!) involved in die cutting leaves from warm and rustic patterned papers in various fall hues. There's something so fun and satisfying to crank that handle and see pretty shapes come out on the other side! And let's be honest—less work for you PLUS family creative time certainly equals something to be thankful for!
