

# inspiration challenge

It's your turn to create something gorgeous with our Inspiration Challenge!

**Who doesn't love a good challenge?** We know that our magazine is a fantastic resource when it comes to finding inspiration, and we want you to show us what you create. This column puts the ball in your court as we want you to take Mindy's pretty card and let it inspire you to make something all your own.

## WAYS TO BE INSPIRED

- Emulate the colour scheme
- Use flowers on a card or layout
- Try white heat embossing on a darker background
- Make a layout about your flower garden
- Practice some ink blending
- Make a horizontal card or layout
- Come as close to the original design as you can using similar products
