

with love...

A creative sendoff to keep you inspired until we meet again.

Do you have a furry friend who loves you unconditionally? Celebrate your family pet this spring by creating a layout all about your snuggly friend. Take photos from lots of angles, capture moments of the kids playing with the dog, cat, or hamster, snap pictures of your pet sleeping, jumping, or playing outside. These little (and sometimes not so little) creatures fill up our hearts, so why not let them be a part of your scrapbooks, too?

DESIGN TIP: Build a cute scene on your pages with stickers. It's a whimsical way to convey your theme!
