Find inspiration from products that will organize your craft space!

Products are the heart of our craft, and there's no shortage of exciting things popping up that inspire us to get organized. Once your craft space is in order, it's easier to get started on some fun projects! We've scouted out some practical and pretty ways to make the most of your space.

STORAGE TIP: Use the trays to plan out upcoming projects and simply pull it into your work area when you find some moments to create!

1 PROJECT CART BY WE R MEMORY KEEPERS

If you're short on space or just want to keep things tidy, this handy Project Cart from We R Memory Keepers could be a good solution for you! Each of the six trays included with the cart are removable, so you can save unfinished projects to work on at a later time or keep current collections all in one spot! Since it's on wheels, you can have it next to your desk and roll it back into its space when you are done. wermemorykeepers.com

2 JOURNEY STAMP STORAGE BY FUN STAMPERS JOURNEY

These chic black and white containers are great for holding stamp sets, but you can use your imagination and store just about anything inside! From ephemera packets to adhesive bottles to photos to envelopes to cards that are ready to be sent, there's a world of possibilities beneath the lid!

STORAGE TIP: Experiment with the height and width of storage containers and totes until you determine what products fit best and make the most sense for how you create.

DEBRA BUDDY BAG BY TOTALLY TIFFANY

Crafting on-the-go makes life more fun, and the Debra Buddy Bag will keep you organized! This

clever clear storage bag can hold up to 80 coloured pencils and up to 32 slim markers. Fold back the top of the bag, and you've got easy access to your pencils or markers as the bag will stand at attention. If you prefer to store your markers horizontally, the bag can pop in a drawer on its back. Totally Tiffany has a line of Buddy Bags you won't want to miss!

STORAGE TIP: Think outside the box bag and use the Debra as a basic tool kit for crops and crafty get-togethers. Include scissors, tweezers, adhesives, a small ruler, or any other small and oft-used tool.

360 CRAFT TOWER BY SCRAPBOOK.COM

When it comes to organization, using vertical space is always a great idea, and the rotating 360

Craft Tower holds a lot of stuff in a compact amount of space! Since it's clear, you'll be able to see the products through the shelves and center panels, and you can customize the tower to your liking using the eight adjustable shelves. It's time to tame your favourite small products and have them within arm's reach!

STORAGE TIP: When organizing your craft space, it's always smart to consider what you use most often.

Have those things close at hand so that you can easily reach for them time and again!

STICK N' STORE STAMP STORAGE BY THE STAMP MARKET

Organize your clear stamps with ease and in style with the Stick N' Store Stamp Storage system from The Stamp Market. These ready-made dividers and clear pockets with stamp identification inserts come in two sizes (regular and XL). They are sturdy and laminated, too! You can also use Stick N' Store labels to keep everything beautifully consistent. The dividers come in rainbow or white.
