

with love...

A creative sendoff to keep you inspired until we meet again.

There's something so cozy and inviting about the holidays, and the stockings hung by the chimney with care evoke a sense of warmth and family. We just love this darling stocking-shaped mini album by Anya Lunchenko and know it will inspire you to capture the memories of this holiday season. Our wish for you is a life filled with love and happiness this December and into the new year as well.

DESIGN TIP: Mini albums are perfect for having fun with shapes, and Christmas has so many icons to choose from. Consider making a star, candy cane, or gingerbread man album to commemorate the holidays.
