It's your turn to create something gorgeous with our Inspiration Challenge!

Who doesn't love a good challenge? We know that our magazine is a fantastic resource when it comes to finding inspiration, so we want you to show us what you create. This column puts the ball in your court: take Erica's sunny layout and let it inspire you to make something all your own.

WAYS TO BE INSPIRED

- Emulate the colour scheme
- Create a summer layout or card with a flamingo on it
- Stitch around the edges of die cut shapes
- Make a patchwork look with hexagon shapes
- Change your photo(s) to black and white
- Use a patterned paper as a frame for a card or layout
- Come as close as you can to the original design using similar products
