GARDEN SHOPPE BY PAIGE EVANS FOR AMERICAN CRAFTS

The Garden Shoppe collection from Paige Evans for American Crafts is filled with pretty fall designs! The copper foil accents, leaves, sunflowers, and beautiful homey touches will have you feeling oh-so-thankful. There's even a patterned paper that looks just like a stunning quilt. It doesn't get any cozier than that!

CORE INKS BY HERO ARTS

We love a set of great ink colours, and the new Core Inks line by Hero Arts does not disappoint! These pretty dye inks are quick-drying, smooth, and waterproof, and they are proudly made in the USA. The raised pad can easily ink any stamp. Scrapbookers will love that they are acid-free, too!

SIMPLE VINTAGE OCTOBER 31ST BY SIMPLE STORIES

There's a nostalgic air to the Simple Vintage October 31st collection from Simple Stories. Traditional orange, black, and white patterns of this collection keep it modern, but the vintage comes in with adorable characters that might have appeared on postcards sent before the turn of the 20th century! It's likely this collection will whisk you back in time.

So cute and crafty! It's just our style.

LET'S CREATE BY ECHO PARK PAPER

Echo Park Paper's Let's Create collection is like a crafty hug! The pretty, muted colour palette feels like fall and will have you longing for October afternoons in your creative space. Quotes like, "I'd rather be crafting," and "Crafting is my happy place," solidify the fact that this collection was created just for US!
