And just like that, winter is here! It's time to cuddle up in cozy sweaters as we gather inspiration for winter crafts. You will absolutely want a nice warm mug of hot cocoa to enjoy while you create these fun and simple embroidery hoop ornaments for your tree! Even better, invite some of your crafty friends over for a fun craft afternoon because this winter project is fun for all!

Not only are these darling ornaments quick and easy to create, but they also make for a perfect gift for teachers, coworkers, and neighbours. For anyone, really!

DESIGN TIP: To take the guess work out of colour coordination, grab a patterned paper collection to help make this project quick and simple!

DESIGN TIP: Don't forget to search your scrap bin! This project has some teeny tiny die cuts that are the perfect scrapbuster.

Don't miss Bethany's video to learn more about how she created these adorable hoops. Watch here: bit.ly/WI23Bethany

DESIGN TIP: Add ribbon to hang your hoop from your tree or skip it all together, and you have a cute piece of winter decor. Perfect for a tiered tray with seasonal décor!
