

WELCOME, CROP & CREATE CARDMAKERS!

We are so excited you're here, and we're proud to partner with our friends at [Scrapbook & Cards Today](#) for this fantastic virtual CROP & CREATE DELIVERED CARDMAKING event! If you've used our products in the past, THANK YOU so much for supporting our company. If you're new to Therm O Web and our adhesives and Deco Foil product line, we've provided some fun trial-size samples in your event box. We hope you have fun with them, and we wish you a fabulous time at the event!

Your Therm O Web Crop & Create Delivered - Cardmaking Sample Pack includes:

- NEW Deco Foil Toner Card Fronts* - Love Blooms (1 card front A2)
- Deco Foil Foam Adhesive Sheets Sample (4"x6", packed in the same bag as your Toner Card Front)
- NEW Deco Foil Transfer Sheets - Fairytale Foils Collection (1 tube of five 6"x12" sheets)
- ZOTS Clear Adhesive Dots, Medium Roll (1 package)

Deco Foil Transfer Sheets are a fun and creative way to add vibrant color, brilliant shine and a metallic foil finish to any project! Use with Deco Foil Adhesives, Transfer Gels and NEW Deco Foil Toner Sheets & Toner Card Fronts.

*Please note, a hot laminator or foiling machine is required to transfer foil to Deco Foil Toner Card Fronts. If you don't have a hot laminator available, you may use the card front as-is as black-and-white patterned paper, or you can color the card front with markers, watercolors or your favorite ink-blending technique. Inexpensive laminators are available from several online retailers; we test all our products with the Royal Sovereign Laminator CL1223.

You'll find helpful videos for all of these products on our dedicated Crop & Create Delivered – Cardmaking page here: www.thermoweb.com/cropcreatecardmaking. You'll also find dozens more on our YouTube Channel, as well as lots of inspiration projects from our Design Team on the Therm O Web blog. We hope you enjoy your products! Be sure to tag us @Thermoweb for any projects you share online.
