SUNNY DAYS CARD

- 1 Select an A2 card base. Using the hibiscus stamp with pink, teal and orange inks, stamp flowers across bottom half of card base.
- 2 Trim a 4.25" x 0.5" strip of orange dotted paper from the paper pad and adhere across top edge of stamping.
- 3 Using the kit stamps, stamp "DAYS" in teal ink, "sunny" in black ink and "hello" (from "hello friend" stamp) in orange ink as shown.
- 4 Wrap yellow paper twine around fingers to form bow. Flatten and wrap tape around center to secure. Adhere on left side of orange paper strip.
- 5 Use a glue dot to adhere metal flair over center of bow.

**DESIGN TIP:** Removable tape (washi tape works especially well) can be used to mask off areas of stamps. After inking, apply tape to portion you wish to omit, and then stamp!

HELLO FRIEND CARD

- 1 Trim a 4.25" x 11" piece of Candy Necklace cardstock. Score and fold in half with opening to bottom. Trim a 4" x 5.25" piece of blue map paper from paper pad. Adhere to center of card.
- 2 Select the red doily die-cut and adhere as shown, about .5" from top edge.
- 3 Trim a 2.5" x 2" piece of Butter Mints cardstock. Use hibiscus stamp with pink ink to stamp flower across cardstock. Select "hello friend" stamp and use black ink to stamp atop flower pattern, about 1" from left edge and .5" from top edge. Adhere stamped piece to card, 1.5" from top edge.
- 4 Select gray frame die-cut and use foam tape to adhere on left side of card as shown. Using the steel die, cut hibiscus from Cotton Candy cardstock; adhere to bottom right corner of frame.
- 5 Trim a 3.5" length of yellow paper twine. Tie a knot at each end and adhere to upper right corner of card. Select pennant flags and adhere over twine using foam tape.
- 6 Embellish with yellow enamel dots as shown.

HAPPY BIRTHDAY CARD

- 1 Trim a 4.25" x 11" piece of Butter Mints cardstock. Score and fold in half with opening to bottom. Trim a 4" x 5.25" piece of aqua chevron paper from paper pad. Adhere to center of card front.
- 2 Select *Happy Birthday* vellum card and adhere to card base with glue dots, about .5" from top and left edge.
- 3 Wrap pink baker's twine around fingers to form a bow; flatten and wrap tape around center to secure. Adhere to lower right corner of vellum panel.
- 4 Select flower die-cut and glitter flag die-cuts. Adhere a flag die-cut to each end of flower die-cut, then adhere over baker's twine with glue dots.
- 5 Use kit stamps with black ink to stamp "HOORAY!" onto small rectangle of Butter Mints cardstock. Adhere beneath floral die-cut.

I love the summer prints and bright, sunshiny colors in the Lemonade Stand card kit.  
Working with the kit was a pure joy!
