- 2 Trim a 3.5" x 4.75" piece of orange paper from Spellcast 6x6 paper pad. Adhere with foam adhesive.
- 3 Trim a 3.25" x 4.5" piece of newsprint paper from Spellcast 6x6 paper pad. Adhere with foam adhesive on top of orange paper.
- 4 Trim a .5" x 3.25" piece of Crimson cardstock and adhere atop newsprint paper, horizontally across center of card.
- 5 Cut the "October 31st" label out of the label paper in Spellcast 6x6 paper pad. Adhere to card front with a double layer of foam adhesive.
- 6 Trim 5" of twill ribbon and tie onto the arrow clip. Apply to left edge of label. Embellish card with three orange enamel dots on lower right as shown.

GRATEFUL CARD

- 1 Select an A2 white cardbase
- 2 Using kit cut files, electronically cut several leaves from Pink Paper 10 (yellow polka dot side) and papers from Spellcast 6x6 paper pad (hunter green, maroon and gold). Also cut the heart chain from maroon paper. Adhere leaf cuts on right side of the card. Adhere hearts as shown.
- 3 Use kit stamps with black ink to stamp "grateful" onto white cardstock. Use the coordinating die to diecut the sentiment. Diecut two more pieces of white cardstock. Then adhere all three diecuts together, leaving stamped diecut on top. Adhere diecut on top of leaves as shown.
- 4 Trim a 14" piece of velvet ribbon, wrap around the card and tie a knot. Trim excess.
- 5 Embellish with maroon and orange enamel dots.

DESIGN TIP: When using electronic cut files, you can choose to cut all lines or just the outside lines. For a fun and different look, cut both and layer them to create dimension.
