SCRAPBOOK KIT • WINTER 2018

**Scrapbook Kit Projects from Jennifer Gallacher**

MAGICAL (24x12)

- 1 Select two pieces of Lava cardstock for layout base.
- 2 Trim "Have Yourself a Merry Little Christmas" card from *Christmas Jammies* paper. Trim top corners off card to make tag shape. Punch a hole at top of card and knot twine through hole. Adhere tag to top left side layout.
- 3 Cut two 11"x .75" strips from *Tis the Season* paper (red stripe side). Adhere one strip on left side of layout, aligned at center seam and 6" from bottom edge. Adhere second strip aligned with first.
- 4 Cut two 11"x 5.5" pieces from Diamond cardstock and adhere each to layout just below red stripe papers.
- 5 Print five 3.25"x 5" photos. Adhere three photos on right side of layout centered in white cardstock, leaving about .25" margin between photos. Adhere two photos on left side of layout in same manner, leaving middle of white cardstock open.
- 6 Cut a 4.5"x 6" piece from *Cozy Mittens* paper (burlap side) and use it to matte a 3.25"x 5" photo. Adhere to left side of layout in center of white cardstock.
- 7 Use a circle cutter to cut a 4.5" circle from *Cozy Mittens* paper (burlap side) and use it to matte a 3.75" circular photo. Adhere to right side of layout as shown.
- 8 Fussy-cut Santa, gingerbread man and two small houses from *Christmas Jammies* paper and use dimensional adhesive to adhere around circular photo as shown.
- 9 Embellish with three pink enamel dots to left of house shapes.
- 10 Fussy-cut snowman in red hat, Christmas tree, and present stack from *Christmas Jammies* paper. Use dimensional adhesive to adhere to left side of layout, to right of tag.

(cont'd)

- 11 Fussy-cut *THERE'S NO PLACE LIKE HOME* sentiment from *Christmas Jammies* paper. Notch the right end of strip and mount to the right of present stack.
- 12 Select acrylic snowflakes and adhere to left side of layout as shown. Embellish centers with pink enamel dots.
- 13 Trim *MAY YOUR DAYS BE MERRY & BRIGHT* sentiment from *Christmas Jammies* paper. Notch left end of strip and adhere in lower right corner of layout as shown.
- 14 Use Thickers to spell out title and adhere in a curve above circular photo.
- 15 Use kit stamps with red ink to stamp a large snowflake image to right of the acrylic shapes. Then stamp a large and medium snowflake to left of circular photo.
- 16 Print journaling on scrap kraft cardstock and cut into strips. Place half of the journaling just below center photo on left side. Adhere remaining strips to left of circular photo.

**SNOW FUN (12x12)**

- 1 Select Cotton Candy plaid cardstock as layout base. Cut a 4"x 9.5" piece of *Snuggle* paper (aqua dot side) and mount on right side of cardstock.
- 2 Cut a 2"x 9" strip from *Flurries* paper (snowflake side) and adhere atop of aqua dot paper as shown.
- 3 Cut a 2.5"x 10" piece from *Shiverin'* paper (stripe side). Notch bottom end to make a banner. Wrap twine around bottom of strip twice and tie into a bow. Adhere strip atop snowflake paper as shown.
- 4 Matte a 5"x 7" photo with a 6"x 8" piece of *Merry & Bright* paper (red side). Place matted photo on layout but do not adhere it. Make a small pencil mark on cardstock to indicate left edge of matte and then remove photo.
- 5 Using kit stamps with red ink, stamp two large and one small snowflake onto the pink plaid cardstock, using pencil line as a guide. Erase pencil line once ink is dry and adhere matted photo in original position.
- 6 Select small and medium yellow snowflake circles from ephemera pack and adhere along top edge of layout.
- 7 Select pink tag from ephemera pack and tie red twine through top. Adhere along top edge of layout, tucked behind photo.
- 8 Select "SNOW MUCH FUN" banner from ephemera pack and use dimensional adhesive to adhere at top edge of photo mat.

(cont'd)

- 9 Select yellow circle tag from ephemera pack and adhere to right of photo. Select heart diecut from ephemera pack and use dimensional adhesive to adhere atop yellow circle.
- 10 Select "WINTER WONDERLAND" banner from ephemera pack and trim so only the word "WINTER" remains. Adhere atop heart diecut.
- 11 Select medium red and small pink snowflake circles from ephemera pack and adhere to layout, below yellow circle tag. Embellish with two white enamel dots on right side of yellow tag.
- 12 Select boy and girl diecuts from ephemera pack and adhere near bottom left corner of photo mat. Select heart cluster diecut from ephemera pack and use dimensional adhesive to adhere between boy and girl diecuts.
- 13 Select acrylic word *FUN* and adhere below photo mat, to the right of boy diecut as shown.
- 14 Combine two pink Typecast labels to make a 3.25" wide label. Use dimensional adhesive to adhere label across bottom of girl and boy diecuts, slightly overlapping acrylic word.
- 15 Select "SNOW" diecut from ephemera pack and adhere atop pink labels.
- 16 Print journaling in red on Diamond cardstock and cut into strips. Adhere journaling strips below boy and girl diecuts.
- 17 Embellish layout with white enamel dots in center of stamped snowflakes.

JOY CARD (4.25x5.5)

- 1 Cut a 8.5" x 5.5" piece from Mysterious Teal cardstock. Score on long side at 4.25" fold in half to create an A2 card base.
- 2 Cut a 3.75" x 5.25" piece from Kraft Stars cardstock and adhere to center card base.
- 3 Cut a 3.75" x 1.75" piece from *Sweater Weather* paper (blue plaid side) and adhere along bottom edge of Kraft Stars cardstock.
- 4 Select tree diecut from ephemera pack and adhere atop Kraft Stars cardstock as shown.
- 5 Using the kit cut files, electronically cut the word "JOY" from Diamond cardstock at 3" wide. Use dimensional adhesive to adhere below tree diecut.
- 6 Select *I LOVE WINTER* diecut from ephemera pack. Fussy-cut heart shape from diecut and adhere in the center of "O" in JOY diecut.
- 7 Select gold Typecast label and adhere just below JOY diecut word, slightly to right as shown.
- 8 Embellish with red enamel dots.
