

## Scrapbook Kit Projects from Lisa Dickinson

### HAPPY YOU (24" x 12")

- 1 Select Kachina cardstock (left) and Fountain cardstock (right) as your layout base.
- 2 Trim a 12" x 8" piece of *Sparkling Stripe* paper and add stitching around edge, if desired. Adhere (stripe side) to layout, 1.5" from top edge and 1.25" from left edge. Trim a 12" x 6" piece of *Darcy* paper and adhere (lined side) to layout, 2.5" from top edge and 9.5" from left edge.
- 3 Using a scallop edge punch, punch a 9.5" border from *Beaming Butterflies* paper (yellow dot side). Adhere to layout above lined paper, 2" from top edge and 3.5" from right edge.
- 4 Using a scallop edge punch, punch a 9.5" border from *Blooming Blossoms* paper (pink gingham side). Adhere below striped paper, 2" from bottom edge and 2.5" from left edge.
- 5 Print a 4.75" x 7" photo and three 3.25" x 5" photos. Using dimensional adhesive, adhere the largest photo on left side of layout, 2.25" from top edge and 2" from left edge.

Adhere the 3 smaller photos across lined paper as shown, 3" from top edge.

- 6 Locate *Olivia* paper and fussy-cut the sun/clouds and paper airplane. Using dimensional adhesive, adhere sun/clouds and airplane to layout as shown.
- 7 To add stitched trail behind airplane, lightly sketch loops onto cardstock in pencil and punch holes with a paper piercer, spacing them .125" apart. Erase pencil lines and use white embroidery thread to stitch holes.

(cont'd)

**DESIGN TIP:** A two-page layout doesn't require a single color background! Keep things interesting by choosing varying shades of the same color, like the dark aqua and light mint Lisa used here.

8 Locate pink, aqua and navy striped Fancy Pants tags. Using aqua ink, stamp "Be You" on the top of pink tag. Type or write journaling below. On the aqua tag, use white Doodlebug stickers to spell out "YOU" on edge of tag. Using dimensional adhesive, adhere the tags in between the photos, overlapping as shown.

9 Write journaling to the right of airplane. Use glue dots to adhere pink and gray acrylic flowers to the right of journaling. Select red heart Fancy Pants puffy sticker and adhere near flowers.

10 Select the "happy" Fancy Pants puffy sticker and apply vertically to aqua tag as shown. Locate three aqua heart stickers and apply them to the clouds and pink tag as shown. Use a glue dot to adhere blue acrylic bird to clouds.

11 Embellish acrylic flower centers with small Doodlebug sprinkles. Add three small sprinkles vertically on lower left edge of striped paper.

**PHOTOGRAPHY TIP:** When featuring a series of similar photos (or photos with lots of bright colors that might not coordinate with your layout), chose one photo to highlight in color and print the others in black & white.

- 1 Select Stonehenge cardstock as your layout base. Trim a 1.25" x 12" piece of Amelia paper and adhere (stripe side) to left edge of layout.
- 2 Cut three circles (4.5", 1.75" and 1.25") from My Happy paper (solid pink side). Cut three circles (5", 2.25" and 1.75") from Blooming Blossoms paper (pink gingham side). Add stitching to edges of solid pink circles, if desired. Using dimensional adhesive, adhere atop pink gingham circles.
- 3 Cut three circles (2", 2.75" and 3") from All Positive paper (solid aqua side). Cut three circles (2.5", 3.25" and 3.55") from Good Day paper (stripe side). Add stitching to edges of solid aqua circles, if desired. Using dimensional adhesive, adhere atop aqua stripe circles.
- 4 Cut three circles (2.75", 2.75" and 1.75") from Hello paper (text side). Cut two circles (4" and 1.75") from Olivia paper (gray chevron side). Fussy cut foil circles from Zoey paper (large gray, small gray, large yellow and large pink).
- 5 Arrange all the cut circles on the layout, overlapping as shown. Use dimensional adhesive to adhere.
- 6 Print two 2.5" x 4" photos. Adhere atop circles.
- 7 Use the exclusive kit cut files to electronically cut "Today" from white cardstock, approximately 7" wide. Adhere to layout as shown.
- 8 Type or write journaling on white cardstock. Cut into strips and adhere under title.

**TODAY (12"x12")**

- 9 Locate Maya Road flower clip. Use liquid adhesive (or small stitches) to adhere clip to center of the yellow circle in the upper left.
- 10 Using black ink and the date stamp from the kit set, stamp image on white cardstock. Trim out the rectangle and use date stamp to add date. Adhere above photos as shown.
- 11 Use Doodlebug Sprinkles to embellish areas in the upper left, upper right and lower left.
- 12 Trim a 14" piece of white ribbon and adhere vertically on left side of layout, covering the seam between the stripe paper and cardstock. Secure ribbon ends to backside of layout.

**DESIGN TIP:** Circles are a great way to add motion and energy to a layout! Vary the circle sizes and overlap them to create a dynamic matte for your photos.

BEAUTIFUL DAY CARD (4.25x5.5)

- 1 Trim a 4.25" x 5.5" piece of *Life is Good* paper (yellow side). Using yellow ink and the "#spring" and arrow stamps, stamp rows of images at an angle across the paper. Add stitching between the stamped rows, if desired.
- 2 Using a scallop edge punch, punch a 5.5 borders from *Darcy* paper (lined side). Adhere to the right edge of an A2 card base. Adhere the yellow stamped/stitched piece atop card base.
- 3 Trim out the pink gingham "Spring Showers" card from *Journaling Cards* paper. Adhere to center of card base.
- 4 Trim out "It's A Beautiful Day" card from *Journaling Cards* paper (white center portion only). Use dimensional adhesive to adhere atop the pink gingham card.

- 5 Use the kit cut files to electronically cut a 1" wide butterfly from *My Happy* paper. Using pink ink and the small butterfly stamp, repeatedly stamp the image on the pink side of die-cut butterfly.
- 6 Use the kit cut files to electronically cut a 2.25" wide butterfly from *All Positive* paper. Using blue ink and the bunny tail stamp, repeatedly stamp the image on the aqua side of die-cut. Color in circles with an aqua colored pencil.
- 7 Gently fold the stamped butterflies in the center so the wings bend upwards. Using glue dots, adhere the butterflies to the card base as shown.
- 8 Trim a yellow pom pom from the *May Arts* trim and use liquid adhesive to adhere it to the center of sun on the card base.

**DESIGN TIP:** Smaller scale patterns are ideal for cards, and you can create your own papers using tiny stamps! Repeat the images in a pattern and stamp them off the edges of the paper for custom look.
